Update on COVID-19 (Coronavirus) - March 17, 2020

Friends,

Earlier today the Provincial Government declared a State of Emergency as a result of COVID-19. The State of Emergency requires that all Church Services be suspended. **To this end we have decided to continue the suspension of use of the building until at least March 31, 2020.** This is the date at which the Provincial Government must reevaluate the State of Emergency and either terminate it or extend it.

Emmanuel United Church's leadership team will continue to monitor the news and follow the direction of the Federal, Provincial and Municipal governments along with the various Public Health Agencies and medical professionals.

Our leadership continue to remain in daily email communication, and plan to meet again the week of March 23, 2020.

If you have any questions or concerns with the above, please feel free to reach out to us. Stay informed on the latest developments about COVID-19. Follow advice given by your healthcare provider, our national and local public health authorities on how to protect yourself and others from COVID-19.

Yours in Faith

Rob Shamess
